Dear Parents and Carers,

I hope you have all managed to do something you enjoy this half term holiday. The staff are looking forward to making lots of progress with your child's learning over the next 6 weeks, before the Easter Holidays. Please keep this Bushbury blog handy as it contains important dates and information that you will need over the coming weeks.

In line with new Covid regulations, there are some slight changes to isolation rules and if you are a close contact. These are detailed in this blog, however our attendance officers will be happy to explain this guidance further.

## COVID CHANGES

It is wonderful that after two long years, we are edging towards life without Covid restrictions.

### Changes to self-isolation and daily testing of close contacts

From Thursday 24 February, the Government removed the legal requirement to self-isolate following a positive test. However, staff and children who test positive will continue to be advised to stay at home and avoid contact with other people for at least 5 full days, and then continue to follow the guidance until they have received 2 negative test results on consecutive days. In addition, the Government will no longer ask fully vaccinated close contacts and those aged under 18 to test daily for 7 days, and remove the legal requirement for close contacts who are not fully vaccinated to self-isolate. Although these are now guidelines rather than legal requirements, we hope that parents will choose to adhere to these guidelines. This will help to ensure that our staff remain covid-free and therefore able to continue to provide high quality education to your children. Thank you as always, for your support.
